**Investment manager**

[Mackenzie Investments](#)

**Investment management style**

The investment manager seeks companies with policies and practices reflecting environmental awareness, progressive labour policies and positive contributions to the communities where they operate. Using a top-down approach, investments are chosen by focusing first on broad economic trends, followed by choosing companies in sectors of the economy that are expected to benefit from these trends.

**Fund objective**

To provide a balanced return of capital growth and current income by investing primarily in equity and fixed income securities. The Fund invests in publicly traded Canadian and foreign companies that conduct their business operations in a socially responsible manner and show strong growth prospects; with some exposure to foreign companies that meet these criteria.
